

ABOUT ME

OBJECTIVE

An opportunity to work and upgrade oneself, as well as being involved in an organization that believes in gaining a competitive edge and giving back to the community. I'm presently expanding my solid experience in Web and Mobile Develope. I focus on using my interpersonal skills to build good user experience and create a strong interest in my employers.

I hope to develop skills in Mobile app and my knowledge of the Web, and become an honest asset to the business. As an individual, I'm self-confident you'll find me creative, funny and naturally passionate. I'm a forward thinker, which others may find inspiring when working as a team.

WHAT I DO ?

I have been working as a web and mobile app developer. I have a love of clean, and elegant styling. I loving creating awesome as per my clients' need. I think user experience when I try to craft something for my clients.

- ◆ Web Application
- ◆ Mobile Application (Android)
- ◆ MRP/ERP System
- ◆ HR System
